

WHY YOU SHOULD JOIN THE

ASTI

- We stand up for teachers' professional status
- We provide advice, support and legal representation as needed
- We fight to protect your working conditions and professional integrity
- We have negotiated a range of financial offers for you
- We consult with you through surveys, ballots and our representative network
- We bring you the latest news about your profession through our website, social media, publications, email and texts
- We provide training
- We achieved 2-year CIDs
- We took strike action to advance equal pay for post 2010 entrants to teaching
- We are the only union working exclusively for second-level teachers
