170.

The Scheme and the Fund shall be administered by a Committee (hereinafter called “The Administrators”) consisting of the President and Honorary Treasurer of the Association and three members elected annually by the CEC. In all matters relating to the Fund and the Scheme the decision of the Administrators shall be final and conclusive. The Administrators may invest monies from the Fund not immediately required for the purposes of the Fund in any investment in which Trustees are for the time being authorised by law to invest Trust Funds and also Prize Bonds as the Administrators shall in their absolute discretion think fit.

171.

For the purpose of the Scheme “member” shall mean a person who has been a member of the Association for one year on the date of the event on which claim for benefit is based.

172

- (a) The Benevolent Fund shall be used to provide:
- (i) a death grant on the death of a member;
 - (ii) a grant to the widow, widower and/or orphans of a deceased member;
 - (iii) a grant to a member who becomes totally incapacitated so that the member is forced to retire from teaching;
 - (iv) a grant to a member who suffers from an illness (other than T.B.) necessitating absence from work for eighteen consecutive months;
 - (v) a grant, in exceptional circumstances, to a member for any matter not provided for in (ii) and (iii) as the Administrators may determine.
- (b) Benefit shall consist of one payment of up to €10,000 at the discretion of the Administrators and limited by the amount estimated to be in the fund at the end of each financial year and the number of claims admitted. Whenever the insufficiency of the fund renders it necessary to abate the amount of benefit, the Administrators shall have the sole right to decide whether such abatement is necessary and shall have full discretion in the matter of determining the amount of benefit. (In this context “year” shall mean “school year”).
- (c) Claims shall be made through a member’s branch or, in the case of unattached members, direct to the General Secretary and shall be made not later than four months after the event on which the claim is based. In cases of unusual hardship or distress the Administrators may at their discretion extend such period of four months to any period not exceeding twelve months. (“Event” in this context and wherever else used in these Rules shall be interpreted as such incident or circumstances mentioned in Rule 172 hereunder, viz. member’s death or retirement due to incapacitation or the completion of an 18 months’ period of illness by a member).
- (d) When a member has qualified for one benefit, the member shall not qualify for another until a period of five years has elapsed between the event on which the first claim was based, and in respect of which benefit was paid, and the event on which the second claim is based.
- (e) Not more than two benefits in all shall be paid to or in respect of any one member.

173.

The following may be beneficiaries:

174.

The potential beneficiaries mentioned in Rule 172(c) above must be nominated and for this purpose a file of such nominees shall be kept in the Head Office of the Association. Names of nominated dependants shall be submitted through the member's Branch or, in case of an unattached member, direct to the General Secretary, and revised as the member wishes. In cases of unusual hardship or distress the Administrators may at their discretion waive the necessity for nomination of a beneficiary. The decision of the Administrators shall be final.

175.

If benefit is claimed under Rule 172(a) above, the member shall:

- (a) submit a certificate from the member's own doctor;
- (b) submit a signed declaration of retirement due to incapacitation;
- (c) submit to a medical examination by a doctor nominated by the Administrators.

176.

In the event of the death of a member only one benefit shall be paid, and that either to one nominated dependant or two or more jointly nominated dependants. A member, then shall, when nominating dependants, indicate by a number which individual dependant (or group of dependants) the member wishes to benefit to the exclusion of all others whose names the member may record on the nomination form. Firstly those whose names are written after No. 1 shall benefit to the exclusion of those who are given lower preferences. Those whose names are mentioned after No. 2 shall benefit only if the person(s) given first preference is/are deceased and shall benefit to the exclusion of all with a lower preference than second.

Similarly the dependants whose names are written after any other number shall benefit only when those with a higher preference are deceased. It shall be understood that all benefit for nominated dependants is personal to the said dependants and that no relative or legal heir shall have any claim to benefit.

177.

When the Benevolent Fund Scheme has completed a three year operational period it shall be reviewed by CEC or by a sub-committee appointed by that body.

178.

If and when it shall be deemed advisable to terminate the Scheme, notice of motion to this effect shall be submitted by CEC to the Annual Convention of the Association and voted on at a subsequent Annual Convention of the Association and carried by not less than two-thirds majority.

Any monies remaining in the Fund at the time of winding-up shall be divided equally between the Sickness Benefit Fund and the general funds of the Association. Should the Sickness Benefit Fund not be in existence at the time the entire residuum of the Fund shall be paid into the general funds of the Association.

The General Secretary shall place the request before the next meeting of the CEC or of the Standing Committee who shall decide whether a grant shall be payable. The applicant shall take no step in the legal proceedings until a decision has been given by the CEC or by the Standing Committee.

The General Secretary shall deal with the request in the same manner as if the member had been an intending Plaintiff or Appellant.
