

ASTI Childcare Provision Easter 2023

- Our plan is to be outside for a large part of each day so please make sure your child is wearing clothes and shoes suitable for climbing and messy play.
- As you can see, our outdoor area is a great place to play, explore, make friends and learn. Children have the opportunity to choose their own activities as well as take part in more structured games and arts & crafts in our log cabin.
- We need a supply of spare clothes, a sunhat and sun-cream to be left in the service, please ensure your child has some sun-cream on each morning. We will reapply as necessary throughout the day.
- If you're sending in snacks, please do not send in any products containing nuts however we will have a selection of fruits and snacks available throughout the day and a hot meal at lunch time.

Activities include:

- Football, basketball, table tennis, sandpit, swings, slides and climbing games.
- Board games, baking arts & crafts.

Kate and Michelle are available to answer your questions on 085-1613953.

Children will be facilitated at Rainbow Childcare, Whiterock Hill, Wexford, Y35 DY00
