

Circular Letter 0015/2023

**To the Principals and Boards of Management of Second-Level Schools
and Special Schools, and to the Chief Executives of Education and
Training Boards**

**Amendments to Junior Cycle Irish T1 and T2 specifications and
assessment arrangements for Classroom-Based Assessments 1
and 2**

(For student cohorts 2022/25 and 2023/26)

Introduction

The Department of Education wishes to inform the management authorities of second-level schools, and of special schools providing students with a Junior Cycle programme at level 3 on the National Framework of Qualifications, of adjustments to prescribed literary texts and arrangements for Classroom-Based Assessments (CBAs) 1 and 2 arising from the National Council for Curriculum and Assessment (NCCA) early enactment review of the specifications for Junior Cycle Irish (T1 and T2).

This Circular sets out adjustments to the:

- minimum volume of literary texts with which students engage over the three years of Junior Cycle for T1 and T2 as well as the genres to be explored
- the recommended list of literary texts for first year T2 and prescribed lists of literary texts for second and third year T1 and T2
- assessment arrangements for Classroom-Based Assessments 1 and 2 for T1 and T2.

This Circular supersedes circulars 0035/2018, 0036/2018, 0068/2018 and 0069/2018.

The Department requests school authorities to bring this Circular to the attention of all teachers of the T1 and T2 specifications.

The Department also requests school authorities to give adequate notice of adjustments to students at the start of the relevant school year.

Follow-up early enactment review

NCCA Council has also prioritised a follow-up early enactment review of the Junior Cycle Irish specifications to commence in September 2023. This review will place focus on:

- the pedagogies used by teachers to enact the learning outcomes of the T1 and T2 specifications.
- approaches which are inclusive of all students who are learning Irish.
- practical ways to develop students' confidence and capacity to speak and interact with others in Irish across the three years of their Junior Cycle.

This review will focus on the student cohort commencing Junior Cycle in September 2023.

The review will also provide an opportunity to monitor and evaluate the changes detailed in this circular, which are being introduced in response to the first early enactment review.

Full review and revision of Junior Cycle Irish text lists

NCCA will conduct a full review and revision of the content of the Junior Cycle Irish text lists in the school year 2023/24. This review work will focus on the availability of texts and their suitability for a variety of school contexts. This is with a view to supporting teachers and students in selecting texts that are engaging, relevant and of a standard suitable to students' learning needs.

March 2023

In response to stakeholder requests, the NCCA commissioned a review of the early enactment of the specifications Junior Cycle Irish T1 and T2 in 2022. This review was completed by SEALBHÚ, DCU for NCCA. The full report is available at [Publications | NCCA](#)

The T1 and T2 specifications have been amended in response to this review. A reduced volume of literary texts aims to increase the time available to focus specifically on the development of students' capacity to speak and interact with others through Irish.

CBA 1 will now take place in second year in line with all other Junior Cycle subjects. This change seeks to alleviate some of the time pressures in third year identified by review participants and allow for a greater focus on the development of oral communication skills in third year.

The main changes for the student cohort 2022-2025 (current first years) T1 and T2 are as follows:

- Reduction in minimum volume of literary texts prescribed for **second and third year T1 and T2**
- Amendments to the **range of genres T1 and T2**, as laid out in the table on page 5, below.
- CBA1 takes place in **second year T1 and T2**
- Reimagined CBA2 in revised assessment guidelines **T1 and T2**, to be published by NCCA by end of April.

The main changes for the student cohort 2023-2026 (incoming first years) T1 and T2 are as follows:

- Reduction in minimum volume of literary texts recommended for **first year T2** [Literature lists Junior Cycle Gaeilge \(curriculumonline.ie\)](#)
- Reduction in minimum volume of literary texts prescribed for- **second and third year T1 and T2**
- Amendments to the **range of genres for second and third year T1**
- Amendments to the range of genres for **first, second and third year T2**
- CBA 1 takes place in **second year**
- Reimagined CBA2 in revised assessment guidelines **T1 and T2**.

Accordingly, the [assessment guidelines for T1 and T2](#) have also been updated and amended. The detail of the reimagined CBA 2 for T1 and T2 will be published in updated versions of the assessment guidelines (Treoirínte don Mheasúnú Rangbhunaithe agus don Tasc Measúnaithe) before the end of April 2023. All information will be available at [Gaeilge \(curriculumonline.ie\)](#)

Note: All Classroom-Based Assessments are at a common level.

For the students entering second year in 2023/24 and thereafter (T1 and T2)
Selecting texts

The students' role in the selection of texts is crucially important. Building on the experience of exploring literary texts during first year the student, over the period of second and third year, will select prescribed texts in consultation with his/her teacher in the genres set out below.

The texts selected must **NOT** include texts explored in first year. Texts for second and third year must be selected from the appended prescribed lists of literary texts.

T1	T2
One (complete) novel	Two short films or one (complete) play
One (complete) play	One short story
Five poems / songs	Four poems / songs
Two short stories	One (complete) novel <i>Higher Level only</i>
Two short films	
Five local/oral texts	

Prescribed literary texts for T1 are presented in Appendix 1 and for T2 in Appendix 2.
