Enrolment Based Allocation

1.3 Ordinary Enrolment:

The allocation for Ordinary Enrolment is in respect of the approved mainstream enrolment.

A ratio of 19:1 is applied in respect of recognised pupils in free education scheme post primary schools.

A ratio of 23:1 is applied in respect of recognised pupils in recognised schools outside the free education system.

1.4 Guidance Provision:

Each school receives an allocation in respect of Guidance Provision. It is calculated by reference to the approved enrolment, including PLC pupils. The allocation is the difference between the PTR of 19:1 and a reduced PTR:

School Category	Reduced PTR
Free Education Scheme – Non DEIS	18.4
Free Education Scheme – DEIS	17.65
Fee Charging*	18.6

Measures announced as part of Budgets 2016, 2017 and 2022 has resulted in the guidance posts that were withdrawn in budget 2012, being fully restored from September 2022

In deploying the guidance allocation, schools are encouraged to give due consideration to the pivotal role the qualified guidance counsellor plays in the implementation of the whole school guidance plan. The guidance counsellor will require time for individual student appointments, for Guidance lessons, and general guidance related work within the context of the Whole School Guidance plan.

Refer to **Appendix 3** of this circular for further information on Guidance Provision.

1.5 Junior Cycle Reform:

Schools receive an allocation to support Junior Cycle Reform through the provision of individual professional time to allow teachers engage in professional collaborative activities to support teaching, learning and assessment. The annual circular letter issued to schools setting out arrangements for the implementation of the Framework for Junior Cycle provides further detail regarding these activities. These include attendance by teachers at Subject Learning and Assessment Review (SLAR) meetings.

Department circular letter 59/2021, *Arrangements for the Implementation of the Framework for Junior Cycle with particular reference to school year 2020/21*, includes updated information for schools regarding the holding of SLAR meetings, including the scope for schools, in the context of Covid-19, to explore the use of digital technologies for the holding of these meetings. The Department had earlier, in circular letter 17/2020, *Guidance on the Junior Cycle Subject Learning and Assessment Review Process*, presented schools with four options for the holding of SLAR meetings. The fourth of these options allowed for SLAR meetings to be held entirely during normal school tuition hours, but with a corresponding reduction in the teacher allocation for professional time. No school has chosen that option.

The remaining three options outlined in circular letter 17/2020, and set out most recently in circular letter 59/2021, entail the scheduling by schools of SLAR meetings in a manner that does not impact on student tuition time and does not give rise to additional paid substitution or Supervision and Substitution costs (other than where a single teacher of a subject must travel to another school to participate in a SLAR meeting, in which instance additional paid substitution will be made available). Under all of these options the teacher allocation for each

school will be calculated on the basis of 22 hours of professional time per full-time teacher per year, with a pro-rata provision for part-time teachers.

Consequently, the allocation of teaching posts to individual schools, arising from this circular, includes a provisional allocation that is intended to support the provision by schools of 22 hours of professional time per full-time teacher of Junior Cycle per year, with a pro-rata provision for part-time teachers.

The use of teacher allocations, including professional time for SLAR meetings, may be subject to audit. In cases where the holding of SLAR meetings is found to have impinged on student tuition time and/or where it has resulted in unauthorised additional paid substitution costs or unauthorised use of Supervision and Substitution, the teacher allocation for the school for the following school year will be reduced.

The allocation of posts for professional time is not intended to cover 40 minutes per week professional time for all full-time teachers (with pro-rata allocations for part-time teachers). School management should allocate their overall provision of teaching hours (including the additional posts allocated for professional time, as set out above) in such a manner as to ensure as far as possible that teachers involved in the delivery of Junior Cycle can avail of professional time in accordance with the Junior Cycle circular.

The allocation is provided in two parts as follows:

1 – Part B of staffing schedule

An allocation is calculated by reference to the approved enrolment, excluding PLC pupils. The allocation is the difference between the actual PTR and a reduced PTR:

School Category	Actual PTR	PTR reduced by 0.53
Free Education Scheme	19:1	18.47
Fee Charging	23:1	22.47

2 – Part C of staffing schedule

Schools also receive 22 hours professional time in respect of each whole-time equivalent (WTE) Special Education Needs and Special Class post.

1.6 Special Education Needs:

The National Council for Special Education (NCSE) determines the allocation of Special Education Needs posts for all schools. The allocation provided in the initial staffing schedule represents 100% of the school's allocation for the 2022/23 school year (other than where the NCSE sanctions an additional allocation for exceptional circumstances over the course of the 2022/23 school

year). This allocation is provided on the staffing schedule in 2 parts - 50% in Part B and 50% in Part D.

Full details of the allocation model are outlined in **Circular 0021/2022**. Schools that are newly established in the 2022/23 school year will have their Special Education allocation calculated by the Educational Research Centre.

1.7 Junior Certificate School Programme (JCSP):

An additional 0.25 WTE post is granted for each group of up to and including 45 recognised pupils participating in the Junior Certificate School Programme (JCSP) subject to a maximum of 135 pupils and a maximum allocation of 0.75 WTE posts.

A school is restricted to one group of a maximum 45 JCSP pupils in the year it commences JCSP and in the following two school years.

1.8 Leaving Certificate Applied (LCA):

An allocation of 0.50 WTE post is granted to schools providing the LCA programme. Schools are required to provide confirmation on **Section 1 of CC 22-23** that the LCA programme will be provided in the 2022/23 school year.

1.9 Post Leaving Certificate (PLC):

A ratio of 19:1 is applied in respect of recognised pupils enrolled in a PLC programme, subject to a maximum of the approved PLC enrolment.

1.10 All Irish School (Scoil Lán Gaeilge):

An additional post is allocated to each designated All-Irish school (School Classification 1).

1.11 Home School Community Liaison:

An allocation is provided to DEIS schools in respect of the Home School Community Liaison (HSCL) Coordinator in accordance with Circular 0016/2019. The HSCL post allocated to incoming DEIS schools will be either a shared post or a full time post.

Queries relating to the HSCL post should be forwarded to social_inclusion@education.gov.ie

1.12 Language Support (EAL):

The Special Education Needs allocation model provides that all schools have a basic allocation for teaching support for literacy issues arising from English as an Additional Language (EAL) needs.

Alleviation measures were put in place in the 2012/13 school year for schools with a high concentration of language support (EAL) pupils. These schools will continue to receive this allocation in 2022/23.

Schools can make an appeal to the Appeals Board (on **Form AP 22-23**) for a temporary additional allocation where a significant number of the enrolment is made up of language support (EAL) pupils with less than B1 (Level 3) proficiency in English.

1.13 Resource:

An allocation was sanctioned in previous years to some schools to support special classes/groups with identified special needs. These schools will continue to receive this allocation in 2022/23.

1.14 Learning Language Support (Travellers):

Alleviation measures were put in place in the 2011/12 school year for schools with a high concentration of Traveller pupils. These schools will continue to receive this allocation in 2022/23.

1.15 Co-Educational single catchment area:

Co-educational Schools in a single catchment area - i.e. a minimum of 15 km from the nearest school - were allocated an additional 0.5 WTE post in the 2010/11 school year to enable them to maximise the range of subject choice available to their pupils. These schools will continue to receive this allocation in 2022/23.

1.16 School Co-Operation:

A small number of schools were previously granted an allocation to enable them to join together with other local post primary schools to increase subject choice in an area. Where cooperation is continuing, these schools will receive this allocation in 2022/23.

1.17 Programme Coordinator:

Where a school has pupils enrolled in a JCSP, Transition Year, LCVP or LCA programme, an allocation of teaching hours will be provided based on the total enrolment in all programmes and in accordance with published arrangements for posts of responsibility. The teaching hours will be allocated as follows:

No of Pupils in Programmes	WTE allocation
1-59	0.09
60-99	0.14
100-139	0.18
140+	0.27

1.18 Adult Education Programme:

Where a school runs a Self-Financing Part Time Adult Education programme(s), an allocation of teaching hours may be provided in accordance with the terms of **Circulars 46/00 and 16/05**.

This allocation will be included on the staffing schedule when the school confirms valid enrolment and hours for the 2021/22 School Year in **Form AE 22-23 - Self-Financing Part-Time Adult Education Programme provided in Secondary, Community and Comprehensive schools**.

1.19 Gaeltacht Recognition Scheme:

Schools in Gaeltacht language-planning areas who are participating in the Gaeltacht School Recognition Scheme will receive an additional allocation in line with published arrangements for the implementation of the Scheme.

Queries relating to this allocation should be forwarded to aog@education.gov.ie

1.20 Substitution:

All schools will receive an allocation in September 2022 under the terms of **Section 2.1 of Circular 0050/2014** for the provision of substitute cover for teacher absences arising from official school business.

1.21 Behaviour for Learning Programme:

The National Council for Special Education (NCSE) provides sanction to schools for the provision of the Behaviour for Learning Programme. An allocation is provided to schools in respect of the Behaviour for Learning Programme teacher.

Queries relating to this post should be forwarded to schoolsupport@ncse.ie

1.22 Droichead:

Droichead is an integrated professional induction framework for newly Qualified Teachers (NQTs). Principals may apply to The National Induction programme for Teachers (NIPT) for provision of an allocation to Professional Support Teams (PSTs) to support the school-based elements of the Droichead process. Queries relating to the allocation model should be forwarded to info@teacherinduction.ie

1.23 Special Class:

The NCSE provides sanction to schools for the provision of a special class (es). An allocation of 1.5 posts is provided in respect of each special class.

1.24 Chaplain:

Community and Comprehensive schools whose patron includes a religious authority are allocated a Chaplain post. The Chaplain should be clearly identified on the **Form SP1**.

1.25 Accuracy of data on initial schedule:

Every effort has been made to ensure that the base data used to produce the initial staffing allocation is accurate.

On receipt of the initial schedule, the school authority should satisfy itself that the data is correct and reflects the returns already made by the school in respect of its pupils and teachers.

Inaccuracies in the enrolment and allocation details are to be notified **immediately** to:

Enrolment - p_podhelpdesk@education.gov.ie
Allocation - allocations@education.gov.ie

Adjustments to the enrolment or allocation records as a result of revised information received will be notified to schools in May/ with the Curricular Concession decisions.

Section 2 - Staff changes for the 2022/23 school year

2.1 Form SP1 (Form Staff Position 1) - Notification of Staff Changes for the 2022/23 school year

It is necessary to establish the school's current and projected teaching staff appointments position relative to its approved allocation for the 2022/23 school year.

Form SP1 issued with the initial staffing schedule. This form shows the current appointments position. Schools are required to identify on this form teachers who, in the 2022/23. school year, will:

- resign/retire (confirm date)
- commence, continue or end career break, jobsharing or secondment arrangement
- qualify for a CID (confirm hours).

The completed form must be submitted to Post Primary Teacher Allocations Section by **09th May 2022**..

Staff changes that become known after the **Form SP1** is submitted, including applications for job-sharing/career break/secondment/retirement that do not proceed, must be notified immediately to Post Primary Teacher Allocations Section.

In order to plan and prepare for processing the 2022 retirement applications Pensions Unit will shortly be in contact with all schools to obtain information relating to those retiring in the current year.

Please note : This form is different to the CP1 Form which issues from Payroll Section of the Department later in the year.

2.2 Contracts of Indefinite Duration (CID)

Circular 0024/2015 outlines the terms and conditions for the award of a CID.

Schools are required to apply for Department sanction in respect of a teacher who is deemed to be eligible for the award of an initial or a further CID.

Applications for the award of an initial or further CID in the 2022/23 school year must be made on **Form CID 22-23**.

Where a teacher currently holds or becomes entitled in the 2022/23 school year to a CID of between 18 hours and 22 hours, s/he may apply to be timetabled for up to 22 hours in accordance with **Circular 0011/2009**. In such cases, the CID may be increased to 22 hours. Applications must be made on **Part 3 of Form CID 22-23**.

Two copies of the completed **Form CID 22-23** for the award of an initial or further CID at any time during the 2022/23 school year must be submitted to Post Primary Teacher Allocations Section by **09th May 2022**.

Section 3 – Redeployment

Post primary teachers are redeployed in accordance with **Appendix 2 of Circular 25/2011 – Redeployment scheme for teachers surplus to requirements other than in situations of school closure**.

The Minister appoints Directors of the Redeployment Scheme who are charged with implementing the scheme in accordance with the terms of the agreement and having regard to practical implementation issues. Each management body and teacher union may appoint an advisor/advisors to the Directors. These advisors will be available to the Directors for consultation purposes at the Directors discretion and will assist in the identification of issues of a practical or logistical nature. (Paragraph 1 of **Appendix 2 of Circular 25/2011 – Redeployment scheme for teachers surplus to requirements other than in situations of school closure**.)

3.1 Redeployment of teachers in schools with staffing in excess of approved allocation

An excess teacher situation arises when a school has in its employment on 31 December 2021 one or more permanent/CID teachers in excess of its allocation for the 2022/23 school year.

Schools which fall into this category have been notified and requested to nominate teachers for redeployment in accordance with the terms of the redeployment scheme.

Where a school is required to nominate a teacher for redeployment, the curriculum audit can assist in the identification of the teacher(s) to be nominated (see Paragraph 3.3).

These schools are required to identify the surplus teacher(s) on **Section 5 Form CC 22-23** and to submit a separate **Form RD1 22-23 for each teacher**.

3.2 Redeployment of teachers who qualified for a CID in accordance with Circular 0024/2015

Teachers who qualify for a CID in accordance with **Part A of Circular 0024/2015** can be redeployed in the following circumstances:

- a. a teacher who has acquired a CID as a result of covering for a teacher on career break or secondment can be nominated for compulsory redeployment immediately prior to the return of the teacher that s/he is covering for.
- b. a teacher who has acquired a CID under the reduced qualification period of continuous employment can be nominated for compulsory redeployment where:
 - a subject mismatch exists in a school/ETB – i.e. when a school/ETB has more teaching resources in this teacher's subject(s) than is required to meet the curricular needs in the subject(s) and
 - the school/ETB concludes that this mismatch may be wholly or partially addressed by the redeployment of a teacher(s) covered by this scheme.

Schools are required to identify teacher(s) to be redeployed under the terms of **Circular 0024/2015** on **Section 5 of Form CC 22-23** and to submit for each teacher:

- **Form RD1 22-23**
- **Form RD3 22-23**

3.3 Curriculum Audit

The curriculum audit is a school management tool used to pre-plan and organise the school's timetable. It is prepared by reference to the approved staffing allocation from the Department for the coming school year. It contains the assignment of subjects/curriculum to each class and the associated teachers, with the class periods given to each subject. Its primary purpose is to define how teaching and learning will be delivered in the most effective way in the school.

Where a teacher is nominated for redeployment, it is important that s/he is fully informed of the reason for their nomination. The curriculum audit can assist with this understanding and provide relevant information to inform the teacher in the event of an appeal. At the request of the nominated teacher, the Principal should discuss the curriculum audit with him/her.

If a teacher submits an appeal against his/her nomination for redeployment, the Directors of Redeployment will refer to the curriculum audit in the adjudication of the appeal.

The school's management body can assist the school authority in preparing the curriculum audit.

3.4 Pilot Voluntary Redeployment Scheme

A Pilot Voluntary Redeployment Scheme 2022 is available to permanent/CID teachers who are employed in a post primary school:

- in counties Clare, Cork, and Mayo who wish to be considered for redeployment to a school in any location.
- outside of Dublin and who wish to be considered for redeployment to a school in Dublin.

Refer to **Appendix 4** of this circular for more detailed information on the redeployment process for post primary teachers.

Section 4 - Notification of vacancies

In accordance with paragraph 2 of **Appendix 2 of Circular 25/2011 – Redeployment scheme for teachers surplus to requirements other than in situations of school closure**, schools are required to notify all applicable vacancies in the school to the Directors of Redeployment.

Vacancies to be declared

1. Permanent vacancies – confirmed in letter issued with initial schedules
2. Other permanent vacancies arising from retirement or resignation
3. Fixed term vacancies – confirmed in letter issued with initial schedules
4. Other fixed term vacancies arising as a result of career break, secondment or jobshare

4.1 Notification of vacancies up to 31 May 2022

Schools are required to notify the Directors of Redeployment of all known teaching vacancies on **Section 4 of Form CC 22-23 by 09 May 2022**.

Additional vacancies that the school authority becomes aware of on or before 31 May 2022 must also be separately notified to the Directors on **Section 4 of Form CC 22-23** within 5 working days of the vacancy becoming known to the school.

It is a condition of the filling of a vacancy that becomes known on or before 31 May 2022 that it be notified to the Directors as soon as it arises and as part of the redeployment process.

NOTE: Boards of Management may carry out a recruitment process up to and including the interview stage but **are not permitted to appoint a teacher** to fill a vacancy for the 2022/23 school year until the Department has confirmed that the redeployment process is completed.

4.2 Notification of vacancies after 31 May 2022

Permanent vacancies that become known after 31 May 2022 must be notified to Post Primary Teacher Allocations Section by email to allocations@education.gov.ie within 5 working days of the vacancy becoming known to the school.

These vacancies may only be filled on a temporary basis for the 2022/23 school year. This arrangement does not apply to Principal or Deputy Principal posts which are filled in the normal manner.

NOTE: Where a school submits a form to the Department's Payroll area to appoint a teacher to a permanent position, the Payroll area will first confirm with Post Primary Teacher Allocations Section that the vacancy was notified to the Directors of Redeployment before 31 May 2022. Where it is found that the vacancy was not notified to the Directors, the school will only be permitted to appoint a teacher on a temporary basis for the 2022/23 school year.

Section 5 - Applications for additional teacher allocation

Applications for an additional allocation for projected increased enrolment and/or curricular concessions may be made **on or before 09 May 2022.**

Please note that such allocations may be filled, where required, through redeployment.

5.1 Projected enrolment

Schools that project an increase in mainstream enrolment may apply for an additional allocation.

Applications (on **Section 1 of Form CC 22-23**) will be considered on the basis of the total projected enrolment. Schools will receive provisional approval in April of the projected increased enrolment allocation.

Before the allocation for projected enrolment can be provided on the staffing schedule the school authority must submit the **Form PE 22-23** after the school opens for the 2022/23 school year to confirm the enrolment in September 2022.

No contracts should be entered into with teachers in respect of projected increased enrolment until the allocation has been provided on the staffing schedule.

Schools should refer to **Circular 38/2014** for information regarding the arrangements for submission of enrolment returns to the Department.

Enrolments confirmed to P-POD in October will be verified against the enrolment submitted in September in **Form PE 22-23**.

If it is confirmed that a school has received an excess allocation in the 2022/23 school year, the staffing allocation in the 2023/24 school year will be reduced accordingly.

Any deliberate overstatement of pupil numbers for the purpose of claiming additional resources from the Department will be referred to An Garda Síochána and may result in criminal prosecution.

5.2 Curricular Concessions

A school affected by an unexpected shortfall in specific subject areas which cannot be resolved through school planning and management processes may apply for curricular concessions as a short term support to address the issue.

Curricular concessions are a short-term support, generally for one school year but not exceeding three school years.

Applications must be made in **Section 4 of Form CC 21-23**.

Guidelines in respect of any such applications are set out in **Appendix 2** of this circular.

Section 6 - Appeals

The Post Primary Appeals Board operates independently of the Minister and the Department. The Board will consider appeals from a school/ETB regarding:

- The Department's decision on the school's/ETB's application for curricular concessions; and/or
- The allocation for language support (EAL) pupils with less than B1 (Level 3) proficiency in English. (see paragraph 1.12)

Appeals must be submitted on **Form AP 22-23** to Post Primary Teacher Allocations Section by **31 May 2022**

The decision of the Appeal's Board is final.

Section 7 - Forms

A list of the associated forms and the relevant closing dates for receipt of application are set out at **Appendix 1**.

Appendix 2 - Guidelines for applications for Curricular Concessions

School Management review

Before deciding to apply for curricular concessions a school must:

1. conduct a curriculum audit. A curriculum audit is a school management tool used to pre-plan and organise the school's timetable. It is prepared by reference to the approved staffing allocation from the Department for the coming school year. It contains the assignment of subjects/curriculum to each class and the associated teachers, with the class periods given to each subject. Its primary purpose is to define how teaching and learning will be delivered in the most effective way in the school. The school's management body can assist the school authority in preparing the curriculum audit.
2. consider if the school will be eligible for an additional allocation in respect of projected increase in enrolment in the 2022/23 school year. **This allocation is taken into account when deciding an application for curricular concessions.**
3. consider the options of sharing teachers between recognised post primary schools as outlined in **Circular 0015/2019**.

Application for Curricular Concessions

If, on completion of the management review, a school is not in a position to meet essential curricular commitments for pupils and deems it necessary to apply for curricular concessions, an application may be made by completing **Section 4 of Form CC 22-23**.

Applications should clearly state:

- the period for which short-term support is needed to enable the school authority to respond to identified curricular problems (generally for 1 school year, but not exceeding 3 school years).
- any particular requirements of small stand-alone schools.
- exceptional factors that the school authority considers to be relevant.

IMPORTANT

Curricular concessions may not be sought:

- to facilitate the sanction of an application from a teacher for approved leave of absence, i.e. jobshare, career break or secondment.
- to enable schools to retain or develop a curricular provision that cannot be sustained within enrolments, staffing entitlements and school plans.
- to introduce a new subject.
- for Junior Cycle Reform Professional Time.
- for Guidance Provision.

- for PLC programmes.
- for additional Special Education Needs, Special classes, Resource, Behaviour for Learning posts – these posts are allocated by the National Council for Special Education (NCSE).
- for reduced teaching hours for an AP1 post holder.

Two typed copies of the completed form must be submitted to Post Primary Teacher Allocations Section by **09th May 2022**.

Curricular Concession Decisions

Decisions on applications for curricular concessions will be notified to school authorities in late May 2022.

Appeals Procedure

If a school authority is not satisfied with the Department's decision on its application for curricular concessions, an appeal may be submitted to the independent Appeals Board on **Form AP 22-23** – see **Section 6** of this circular.

Decisions on appeals will be notified to school authorities in early June 2022.

Appendix 3 – Guidance Provision in post primary schools

Whole school Guidance

Guidance is a whole school activity where each school forms a team, in which the guidance counsellor has a pivotal role, to collaboratively design and develop a whole-school Guidance plan as a means of supporting the needs of all students. It is important that all members of staff fully recognise and ensure that Guidance permeates every aspect of school life and the plan is developed in collaboration with teachers, students, parents, and the wider school community.

Whole-school Guidance plans should outline the school's approach to Guidance generally using the continuum of support model (All, Some, Few) and describe how students will be supported and assisted in making choices and successful transitions in the personal and social, educational and career areas.

Guidance **'encompasses the three separate, but interlinked, areas of personal and social development, educational guidance and career guidance'**. (Department of Education and Science; 2005, pg. 4).

The plan should demonstrate an appropriate balance between the time provided for individual student appointments, the provision of Guidance lessons/modules, and other guidance-related activities.

It is recommended that the time provided for student appointments should represent a sufficient proportion of the overall allocation of Guidance hours required for the one-to-one guidance counselling necessary to meet the needs of students under the Continuum of Support model.

Time for individual students

The whole-school Guidance plan should **include specified time allocation for guidance counsellors to be available for one-to-one guidance counselling and time allocation for the role in supporting the organisation and work of the Student Support Team**.

The whole school Guidance plan should also distinguish between the competencies available within the school to support students and describe how the internal support structures and referrals to the Student Support Team or external referral to the Health services and/or advising parents on the need to consider referral to a medical professional, will be managed. **'Guidance counsellors work within a continuum of support model (NEPS, 2010), and are part of a whole school approach to supporting wellbeing in schools'** (NEPS, 2013).

Guidance counselling

Guidance counselling in post primary schools is **holistic** and may include personal counselling, educational counselling, career counselling or combinations of these **and 'is a key part of the school guidance programme, offered on an individual or group basis as part of a developmental learning process and at moments of**

personal crisis. Counselling has as its objective the empowerment of students so that they can make decisions, solve problems, address behavioural issues, develop coping strategies and resolve difficulties they may be experiencing.’ (Department of Education and Science, 2005; pg. 4).

The Whole School Guidance “Wheel” has been developed as a tool to support schools in the development of their Guidance plan. Information and other useful planning resources are available on the NCGE site: <https://www.ncge.ie/resources>

Role of the Board of Management

The Board of Management should exercise oversight by reviewing and updating the whole school Guidance plan at regular intervals. Schools should consider how best to align resource allocation with the objectives of the plan by giving due consideration to the Education Act 1998 section 9 (c) which states that **‘a school shall use its available resources to... ensure that students have access to appropriate guidance to assist them in their educational and career choices’**. Specifically the board should consider the plan and how it is resourced before it adopts the plan and makes it available to all staff, parents and students.

Guidance Counsellor Qualifications

Department **Circular 0031/2011** sets out the requirements in relation to teacher recruitment, registration and qualifications. It remains the case that a person being assigned as a guidance counsellor must be a qualified and registered second-level teacher with the Teaching Council and, in addition, hold the relevant recognised qualification for school guidance work. Information on Guidance Counselling qualifications recognised by the Department can be found here:

<https://www.gov.ie/en/publication/dce0a0-programme-recognition-framework-guidance-counselling/>

Activities of the Guidance Counsellor

Some examples of the various activities relating to the work of a Guidance Counsellor, are detailed on page 8 of the **Programme Recognition Framework: Guidance Counselling Criteria and Guidelines for Programme Providers**, published by the Department of Education and Skills, March 2016

Post-qualification professional development

Guidance counsellors working in all educational settings should keep abreast of ongoing changes and developments in fields relevant to guidance such as educational and training opportunities, ICT, legalities relating to guidance counselling, psychometric assessment, the world of work and professions/occupations. Guidance counsellors should also avail of Continuing Professional Development (CPD) opportunities as provided by bodies such as the National Centre for Guidance in Education (NCGE), the Professional Development Service for Teachers (PDST), the Junior Cycle for Teachers (JCT), and the Institute of Guidance Counsellors (IGC).

Guidance Counselling Supervision

The Department of Education (Teacher Education Section) funds the Professional Support (Guidance Counselling Supervision) Programme for post-primary guidance counsellors to attend five two-hour supervision sessions per academic year, in person or online. The programme is managed by Monaghan Education Centre and co-

ordinated regionally through the branch network of the IGC. Professional Guidance counselling supervision ensures that guidance counsellors provide guidance counselling within the ethical boundaries of their competence and qualifications. School management support for attendance at supervision is essential and in so far as possible school management should facilitate any Guidance Counsellor who wishes to attend on the five designated afternoons-

Appendix 4 - Redeployment process

Post primary teachers are redeployed in accordance with **Appendix 2 of Circular 25/2011 – Redeployment scheme for teachers surplus to requirements other than in situations of school closure** (referred to below as “the scheme”).

December The Department contacts schools that will have in their employment on 31 December one or more permanent/CID teachers in excess of the approved allocation for the next school year. The schools are requested to provide details of how the surplus number will be reduced.

In the event of a scheduled school closure, the Directors of Redeployment visit schools.

February Surplus schools are confirmed and requested to nominate a teacher(s) for redeployment.

May All schools submit to the Directors of Redeployment:

- all known vacancies (further vacancies to be declared as they become known)
- applications for redeployment (where applicable)
- appeals from teachers against their nomination for redeployment (where applicable)
- requests for reviews of redeployment in the previous school year (where applicable)

A panel of teachers to be redeployed is prepared. (paragraph 12 of the scheme)

May Schools receive provisional approval of allocation in respect of projected increased enrolment and are requested to provide details of the subjects they will use to fill these vacancies.

A database of all vacancies declared by schools is prepared.

May The Directors process the work as follows:

1. adjudicate on appeals from teachers against their nomination for compulsory redeployment (paragraph 10 of the scheme)
2. adjudicate on requests for a review of redeployment in the previous year (paragraph 23 of the scheme)
3. adjudicate on nominations for redeployment under **Circular 0024/2015**
4. assign teachers for redeployment to a suitable vacancy in conjunction with the Pilot Voluntary Redeployment Scheme.

It is an objective of the redeployment scheme that it will be finalised by 31 May to facilitate the filling of vacancies.

1. **Redeployment of surplus teachers**

a. **Schools receive notification from the Department of surplus teachers in the next school year**

The redeployment process commences with the identification of school closures and surplus schools.

In December, the Department contacts all schools that will have 1 or more teachers in excess of the approved allocation in the next school year. Schools are requested to provide details of anticipated staff changes that would result in a reduction in the number of excess teachers.

Schools are advised to inform all teachers, including those on approved leave of absence, that the school has surplus staff and may be required to nominate a teacher(s) for compulsory redeployment. Teachers should also be informed that information on the redeployment schemes, including Frequently Asked Questions, is available on the Department's website.

The number of surplus teachers in the next school year may be reduced where a school expects to have one or more of the following staff changes and where a replacement teacher is not to be appointed:

- retirements/resignations expected to occur up to the end of the current school year
- applications for job-sharing, career break or secondment in respect of the next school year
- anticipated increased enrolment in the next school year (not yet confirmed but expected to occur).

PLEASE NOTE - Where a teacher is retiring, resigning or will have an application approved by school management for jobshare, career break or secondment and a replacement teacher will be appointed, this will not result in a reduction in staff numbers.

On receipt of the expected staff changes, the staffing position of the schools will be adjusted and the schools will be informed in February if they are required to nominate a teacher(s) for redeployment.

It is important to note that where retirements, resignations or applications for job-share/career break/secondment are used to reduce the school's staff numbers:

- **an additional allocation through curricular concessions to replace these teachers will not be approved**
- **schools must inform Post Primary Teacher Allocations Section immediately where these applications do not proceed. The school's staffing position will then be re-adjusted and, where applicable, the school will be required to nominate a teacher(s) as surplus in the next school year.**

b. Schools required to nominate a teacher(s) for redeployment

On receipt of information from a school as outlined in Part (a) above, the Department will review the staffing position and confirm if the school is required to nominate a teacher(s) for redeployment.

When a school receives notification from the Department that a teacher(s) must be nominated for compulsory redeployment, in the first instance, the school is required to:

1. inform all teachers in the school, including those on approved leave of absence, that the school is required to nominate a teacher(s) for compulsory redeployment and that it is open to all teachers to apply for voluntary redeployment, subject to certain conditions. (paragraph 6 of the scheme)
2. make available to all staff **Appendix 2 of Circular 25/2011 - *Redeployment scheme for teachers surplus to requirements other than in situations of school closure***
3. make available to all staff an up-to-date seniority list for all permanent/CID teachers, including year of appointment, subjects registered with the Teaching Council and other teaching subjects. (Teachers who are employed on an RPT contract are not to be included in the seniority list) Teachers will be nominated by reference to the seniority list
4. carry out a curriculum audit for the next school year. (see section 3.1 of this circular) Where a teacher is nominated for redeployment, it is important that s/he is fully informed of the reason for their nomination. The curriculum audit can assist with this understanding and provide relevant information to inform the teacher in the event of an appeal. At the request of the nominated teacher, the Principal should discuss the curriculum audit with him/her.
5. identify the teacher(s) to be nominated for redeployment in accordance with paragraph 7 of the scheme. **Form RD7(a)** must be completed by the school management and retained as part of the minutes of the Board of Management meeting where the decision was made to nominate a teacher(s) for redeployment. It will be required by the Directors of Redeployment in the event of an appeal.

When informing teachers of their nomination for compulsory redeployment, the school must provide the teacher(s) with:

1. a list of all permanent/CID teachers in the school in order of seniority including year of appointment, subjects registered with the Teaching Council and other teaching subjects
2. **Form RD7(b)** - statement outlining why, given the curricular needs of the school, the school management has nominated him/her for redeployment (paragraph 7 of the scheme)
3. **Form RD1 22-23** - application for redeployment to be completed by the teacher and the school management
4. **Form RD10** - appeal against nomination for redeployment. A teacher may submit an appeal within 5 days of the date of nomination. See Part 4 below.

Where a member of staff wishes to be considered for voluntary redeployment (paragraph 6 of the scheme):

1. the school may approve an application(s) for voluntary redeployment provided the curriculum can be delivered without the teacher(s)
2. for each voluntary applicant, the school must also nominate a teacher for compulsory redeployment
3. voluntary applicants and nominated teachers are required to submit **Form RD1 22-23**
4. a voluntary applicant may, subject to certain conditions, be redeployed instead of a compulsory nominee.

Schools/ETBs are required to identify teacher(s) for redeployment on **Section 5 of Form CC 22-23**.

2. Redeployment in accordance with Circular 0024/2015

Teachers who qualify for a CID in accordance with **Part A of Circular 0024/2015** can be redeployed in accordance with the standard provisions of **Appendix 2 of Circular 25/2011 - Redeployment scheme for teachers surplus to requirements other than in situations of school closure** in the following circumstances:

- (a) A teacher who has acquired a CID as a result of covering for a teacher on career break or secondment can be nominated for compulsory redeployment immediately prior to the return of the teacher that s/he is covering for. There is no appeal process in these circumstances.

In this instance, the school management may allow the teacher returning from career break/secondment the opportunity to apply for voluntary redeployment. A voluntary applicant may, subject to certain conditions, be redeployed instead of a compulsory nominee.

In such cases, if it is required to meet the curricular needs of the school and where a school has provision within its allocation, the school management may retain both teachers in the school.

- (b) A teacher who has acquired a CID under the reduced qualification period of continuous employment can be nominated for compulsory redeployment where:
- a subject mismatch exists in a school/ETB – i.e. when a school/ETB has more teaching resources in this teacher's subject(s) than is required to meet the curricular needs in the subject(s) **and**
 - the school/ETB concludes that this mismatch may be wholly or partially addressed by the redeployment of a teacher(s) covered by this scheme.

The nominated teacher may submit an appeal within 5 days of the date of nomination. See Part 4 below.

In this instance, the school management may allow other teachers of the mismatch subject the opportunity to apply for voluntary redeployment, subject to the curricular

needs of the school. A voluntary applicant may, subject to certain conditions, be redeployed instead of a compulsory nominee.

Where a school/ETB is comprehended by **Appendix 2 of Circular 25/2011 - *Redeployment scheme for teachers surplus to requirements other than in situations of school closure***, the identification of surplus teachers set out in that scheme should be concluded in advance of any recourse to this curricular mismatch scheme.

Where a curricular mismatch exists within an ETB school, the ETB must first seek to address the mismatch through the internal transfer mechanism before recourse to this scheme.

Schools/ETBs are required to identify teacher(s) for redeployment under **Circular 0024/2015 on Section 5 of Form CC 22-23**.

Schools/ETBs are also required to submit **Form RD3 22-23** in each instance.

3. Pilot Voluntary Redeployment Scheme

The purpose of the Pilot Voluntary Redeployment Scheme is to create vacancies, through the voluntary redeployment of teachers, into which surplus teachers may be redeployed.

The Pilot Voluntary Redeployment Scheme 2022 is available to permanent/CID teachers who are employed in a post primary school:

- in counties Clare, Cork and Mayo who wish to be considered for redeployment to a school in any location.
- outside of Dublin and who wish to be considered for redeployment to a school in Dublin.

Details are outlined in **Pilot Voluntary Redeployment Scheme 2022** [gov.ie - Allocation of Teachers to Schools](https://www.gov.ie/en/publications-and-resources/details/data/publication/69971)

4. Appeal by teacher against nomination for redeployment

A teacher may appeal to the Directors against the decision of the Board of Management to nominate him/her for redeployment. (Paragraph 10 of the scheme)

Where a teacher wishes to appeal the decision to nominate him/her for redeployment, s/he must:

1. complete Parts A and B of **Form RD10**
2. submit **Form RD10** with the completed **Form RD1 22-23** to the Board within 5 school days of the date of their nomination.

Where a teacher submits Form RD10 to the school management to appeal against his/her nomination for redeployment, the school management must:

1. complete Part C of **Form RD10** to respond to the issues raised by the teacher
2. provide the teacher with a copy of the completed form with the school management's response. It is open to the teacher to submit comments on the response of the Board to the Directors within 5 school days
3. submit the completed **Form RD10** with all supporting documentation and the teacher's completed **Form RD1 22-23** to the Directors of Redeployment who will adjudicate on the appeal.

When the Directors receive an appeal against nomination for redeployment:

1. the teacher and school will receive an email to acknowledge receipt of the appeal
2. the Directors will consider if all relevant information has been received to allow them to reach a decision
3. if all relevant information has not been received, the school will be requested to provide the additional information required. The teacher will be informed that this has been done.

When all relevant information is received the Directors will adjudicate on the appeal to determine if:

1. the school has complied with the process and procedures outlined in **Appendix 2 of Circular 25/2011 – Redeployment scheme for teachers surplus to requirements other than in situations of school closure**
2. the teacher was correctly nominated for redeployment in accordance with paragraph 7 of the scheme.

When the Directors have made a decision on the appeal:

1. the teacher and school will be provided with a statement outlining the decision of the Directors on the issues raised by the teacher and in the school's response
2. where the decision is to uphold the appeal, the school management will be requested to nominate another teacher for redeployment and, where applicable, to review applications for voluntary redeployment
3. where the decision is not to uphold the appeal, the nominated teacher will be included in the panel of teachers to be redeployed

5 Assigning teachers to vacancies

In April and May each year, the Directors assign teachers to a suitable vacancy in the following order and in conjunction with the Pilot Voluntary Redeployment Scheme:

- school closures
- reviews of previous year
- surplus teachers - voluntary and compulsory applications
- Ward CIDs – voluntary and compulsory applications

The Directors contact schools to confirm the vacancy in order to match a surplus teacher to a vacancy having regard to the curricular needs of the school and the surplus teacher's qualifications and previous teaching experience. (Paragraphs 14 to 19 of the scheme)

It is important to note that:

- in the case of a compulsory redeployment, where a voluntary application is received, the voluntary applicant is considered before the compulsory nominee
- where an offer of redeployment is made to a voluntary applicant, s/he must confirm within 48 hours if s/he wishes to accept or reject the offer. If the offer is rejected, no further offer will be made to the voluntary applicant and the compulsory nominee will be redeployed
- where a teacher has requested redeployment to a location within the Pilot Voluntary Redeployment Scheme, voluntary applications under the Pilot scheme are considered and where possible, an offer of redeployment is made to a voluntary applicant to free up a post for a compulsory redeployment
- in the case of the Pilot Voluntary Redeployment Scheme, where an applicant rejects the offer of redeployment, an offer may be made to a second applicant in the Pilot Scheme. If there is no other suitable applicant in the Pilot Scheme, the compulsory nominee will be redeployed into an existing vacancy which has been notified to the Directors
- insofar as possible, where more than one teacher is to be redeployed from a school, applications from each school are processed together and all teachers in the school are informed of their placement on the same date
- the decision of the Directors of Redeployment is binding on all parties

It is an objective of the redeployment scheme that in any given year it will be finalised by 31 May to facilitate the filling of vacancies.
