

Re: Upcoming Ballot

Dear Branch Secretary

At a meeting of the ASTI Central Executive Council held on the 25th April 2026, it was decided to set in train the arrangements for a school-based ballot of members. The purpose of the ballot is to ascertain whether ASTI members wish to accept the provisions contained in the document Senior Cycle Redevelopment Implementation Support Measures and Addendum. CEC has decided to put the document to a ballot of members with a recommendation for acceptance.

Please note that the ballot will be held in schools during May 2026.

Ballot information will be published in a Special Nuacht which will be available at www.asti.ie/ballot shortly.

I wish to bring the following to your attention:

Rule 87 of the ASTI Rules and Constitution provides as follows:

“All branches shall, where possible, convene information meetings prior to such plebiscites or ballots.”

Accordingly, it is important that a branch meeting be organised if possible.

Best regards,

Kieran Christie
General Secretary
