A member seeking nomination to become a candidate for election to Standing Committee, or a member who is a duly nominated candidate, **shall not act as a branch officer** during the electoral period i.e. from the date the nomination process commences to the date of the Standing Committee election in the relevant branch **inclusive**. The branch may if necessary elect a member to undertake the duties of the office holder during the electoral period. If only one eligible candidate has been nominated to contest the election by the date specified in these regulations, that candidate may resume their duties as a branch officer with effect from that date.

4. NOMINATION OF CANDIDATES:

- 4.1 Nomination forms for the election shall be sent to each branch secretary by the **1st November, 2025**.
- 4.2 Nomination forms shall also be available to members from the General Secretary.
- 4.3 **The nomination form shall be signed by the candidate as evidence of availability for office.**
- 4.4 Each branch may nominate one candidate. Members of the branch must be notified that the question of selecting a branch nominee will be on the agenda for the meeting at which it is proposed to select the branch nominee. Where there is more than one candidate for the branch nomination, the selection of the branch nominee shall be by secret ballot. **All procedures normally used by the branch for the election of CEC representatives should be applied.**
- 4.5 A candidate may be nominated by the signature of at least fifty members from the relevant region.
- 4.6 Candidates must be nominated from amongst those who are full members of the Association for at least **two years**.
- 4.7 Candidates must be nominated in the period between **Monday 3rd November, 2025 and Friday 12th December, 2025** (inclusive) i.e. a candidate may only be nominated either at a branch meeting held during this period or by the collection of fifty signatures during this period. A candidate shall be deemed to have been duly nominated when the nomination form, properly completed, has been received by the General Secretary. In any event, completed nomination forms must be received by the General Secretary not later than **5.00 p.m. on the 7th January 2026 (By Rule)**.

The following two working days, **8th and 9th January 2026**, shall be set aside to allow the candidates the opportunity to check that their nomination forms have been received by the General Secretary. During this two-day hiatus in the process, any issues associated with the delivery of nomination forms to Head Office can be rectified without the candidate forfeiting their candidacy in the election.

- 4.8 Where the candidate's nomination is a branch nomination it is the responsibility of the branch secretary to return the nomination form by the due date. Where the nomination is by signature of fifty members the responsibility for return of the nomination form lies with the candidate. Branches and Candidates are strongly advised to ensure to return nomination forms using two separate modes of delivery (e.g. registered post, regular post, email, by hand, etcetera).

- 4.9** In the event of a candidate's nomination being deemed unacceptable, the Auditors shall be so informed and at the earliest opportunity the original nomination form shall be returned to the candidate explaining the reason for the decision.
- 4.10** Where only one candidate has been duly nominated for a region, then such candidate shall be deemed to have been elected for that region.
- 4.11** Not later than the **31st January 2026**, the General Secretary shall forward to each branch secretary in the appropriate region the names of candidates for election in that region.
- 4.12** On receipt of a duly completed nomination form in Head Office, the General Secretary shall supply to the nominated candidate:

 - (ii) a list of the schools in the region, and
 - (iii) a current list of the members in the region (cf. regulation 5.3).
- 4.13** A nominee for election may withdraw from the election on giving written notice to be received by the General Secretary on or before the **23rd January, 2026**.

5. THE ELECTION:

- 5.1** The determination on time(s), date(s) and venues for ballots shall be reached following a meeting between the relevant branch secretaries and the candidates; such meeting to be held as soon as possible after an election has been called and candidates duly nominated. In no circumstances may ballots take place on school premises. If agreement is reached at this meeting then the participants shall sign a document to this effect and it shall be returned to the General Secretary. In the event that there is no agreement, the General Secretary shall be informed immediately by the branch secretaries and the matter shall be referred to Standing Committee for decision prior to the election.
- 5.2** Not later than the **31st January 2026** the General Secretary shall inform each branch secretary of the period during which the election must be held. **For the 2026 elections, that period shall be Tuesday 10th February, 2026 to Tuesday, 24th March, 2026 inclusive.**

Where there is a dispute regarding membership or eligibility to vote, then the "member" should be permitted to vote. However, the ballot of any such "member" should be submitted to head office in the identification envelope separately from other ballots and an explanatory note from the returning officer should be attached. The decision on the acceptability of any such ballot shall be taken by the ASTI auditors.

- 5.4 Ballot papers, ballot paper envelopes and identification envelopes will be issued to each branch secretary.
- 5.5 **The date and time of the ballot shall be arranged by the branch secretary in consultation with candidates and with other branch secretaries in the region (see 5.1 above). In the event of a dispute the matter shall be referred to Standing Committee for decision prior to the election.**
- 5.6 The date of the ballot, the time of balloting and the venue shall be notified by the branch secretary to all members, including emeritus and honorary life members, who are eligible to vote in the relevant branches. The branch secretary shall take all reasonable steps to ensure that every member who is eligible to vote receives notice of the ballot date, times and venue.
- 5.7 A minimum of **five school days' notice** of the date of the ballot must be given to all members in the relevant branches who are eligible to vote; such notice to include a list of those nominated for election. A "school day" is a day on which the school is in operation.
- 5.8 All duly nominated candidates for a region shall be given a minimum of **five school days' notice** of a branch ballot by the relevant branch secretary.
- 5.9 The branch secretary shall at the same time send a copy of the notice of the date and venue of the ballot to the General Secretary.

The candidate or candidate's representative and any accompanying person or persons may remain in attendance for the entire period of the ballot.
- 5.12 Duly nominated candidates (or a nominated representative) may be invited to address a branch meeting prior to the ballot date in the period from the date on which their nomination was notified to the General Secretary to the date of the ballot. - 5.13 The branch chairperson or, in the absence of the chairperson, **a branch officer or an ASTI member** agreed by the **branch** shall act as Returning Officer. **There shall be only one Returning Officer except in exceptional circumstances.**

The name of such representative shall be notified in writing by the candidate to the General Secretary before the **20th March, 2026.**
