

WHY YOU SHOULD JOIN THE

ASTI

We stand up for teachers' professional status.

We provide advice, support and legal representation as needed.

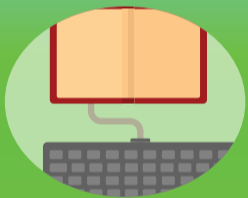

We fight to protect your working conditions and professional integrity.

We have negotiated a range of financial offers for you.

We consult with you through surveys, ballots and our representative network.

We bring you the latest news about your profession through our web, social media, publications, emails and texts.

We provide training.

We achieved 2-year CIDs.

We took strike action to advance equal pay for post 2010 entrants to teaching.

We are the only union working exclusively for second-level teachers.
